

Name: \_\_\_\_\_

Math Practice: Page 23

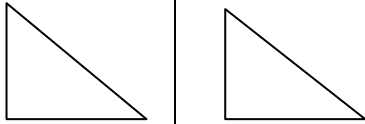

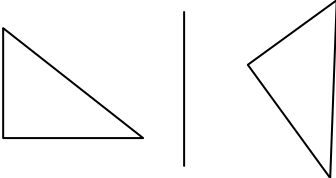

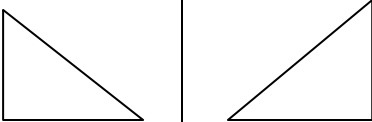

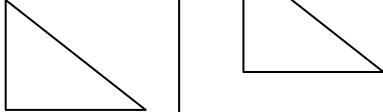

Class: \_\_\_\_\_

Date: \_\_\_\_\_

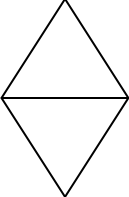

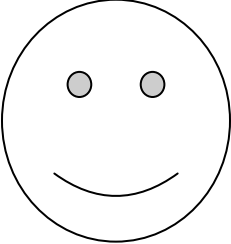

Directions: Identify the transformation that is demonstrated below. Write the word translation, reflection, scaling, or rotation on the line provided.

1.  _____	2.  _____	3.  _____
4.  _____	5.  _____	6.  _____

7. Which figure below shows a reflection?

A. 	B. 
C. 	D. 

Does each figure have rotational symmetry? If yes, write the angle of rotation. If no, write none.

8.  _____	9.  _____	10.  _____
